RE: AUSTRALIAN ENVIROSERVICES

APP Corporation, acting as Superintendent on behalf of Roads & Maritime Services, have been supervising Australian Enviro Services (AES) in the delivery of remedial works at Woollooware Bay.

I have found AES to be excellent to work with. AES have demonstrated attention to detail, technical understanding of scope, excellent communication skills and professionalism. AES have demonstrated commitment to delivering a quality outcome and have gone out of their way to ensure success of the project. I would be happy to engage them again.

Yours sincerely
